PERSONAL PROJECTS

Window Quotation and Design Making Application. (08/2018 - 08/2019)

- This project is "Windows Quotation and Design Maker Application" windows production unit is a commercial manufacturing unit for producing UPVC windows such as Sliding Windows.
- Now-a-days company needs more man power to creating windows, and our goal is to reduce the man power as well as wastage of raw material. Also our aim is to reduce the time. We are going to design a windows application so that the company authorities can access the information of the quotation from anywhere through our application.
